- Authorization to pull off the shoes if necessary for radiography YES / NO

The definitive conclusions of the Pre-Purchase Examination will be sent by e-mail or by poste-mail during the 2 following days, after taking the time for radiographic recheck and laboratory results to be received.

In case you asked for a doping test, results need 2 to 3 weeks.

Is the Clinic AREDA allowed to send a copy of the pre-purchase report to the seller? YES / NO

Do you want the clinic AREDA to send a copy of the report and the radiographs to your veterinarian? YES / NO

Name of your veterinarian:

Phone:

E-mail:

It is recommended to take decision of buying the horse only after you received all the results of this pre-purchase examination.

The buyer (demander) accepts the costs of the examinations and is engaged to pay before the day of the examination. **PayPal** is easier or **Bank transfer** (but 5 days before!), or at the latest time paid by **credit card** or in cash the day of the examination.

The clinic will pay back if any examination is finally not executed.
It the buyer wants supplementary examinations; the payment must be on the same day.

Date of the demand: Signature of the buyer (demander):
